Discover the perfect blend of space, comfort, and functionality ideal for families, or anyone seeking a peaceful retreat. Step inside this spacious three-bedroom, two-bathroom arch-rib home and immediately feel at ease. The open-concept main floor features high ceilings, expansive windows, and a bright, welcoming layout. The large kitchen, family and dining area offer plenty of room for everyday meals or entertainment. French doors open to the south-facing back deck, perfect for sunset barbecues and outdoor gatherings. Upstairs, the primary bedroom impresses with a walk-in closet, five-piece bathroom and a private balcony where you can enjoy stunning country views and your morning coffee or evening unwind. A bonus loft area with railings overlooks the lower level, adding a touch of charm and versatility. Two additional bedrooms, family room and a full bathroom complete the main level. Past updates include newer windows, metal siding, French doors on the south side, updated kitchen cabinets, and a Blaze King wood stove in the entryway. The home has been exceptionally maintained and shows pride in ownership throughout. The impressive 30 x 50 metal-clad shop is fully equipped with in-floor heat, a mezzanine, and two powered overhead doors-ideal for business use, projects or extra parking space. Additional outbuildings include a long cabin sauna with cedar finishings, a shed with attached pole sheds on each side, a cedar greenhouse, and a Sea-Can building set up with radiant heat system, optional to connect. This property is connected to a water co-op system and features an outdoor wood boiler that can heat both the house and shop, if connected. The beautifully landscaped yard includes a garden area, creating a picturesque country setting. A true real gem-perfect for raising a family, running a home business, or simply enjoying the quiet

beauty of country living. Note: This property is in the process of having the subdivision completed. Everything is approved, just waiting for transfer. Taxes to be determined once the subdivision is final.
