Perfect acreage property with a shop, set in a serene and private setting. This well-maintained home features several recent upgrades, including three new basement bedrooms completed in 2025, along with new basement insulation and a vapour barrier for improved efficiency and comfort. Approximately 65% of the windows were replaced in 2025, enhancing natural light and energy performance. Upstairs bathrooms have new toilets installed in 2025. Additional updates include a washer and dryer (2018), kitchen appliances (2018), hot water tank and water softener (2016), and a new furnace and air conditioning system installed in 2024. The holding tank was cleaned in 2026. The shop is 24.8' x 39' with a 14' ceiling, concrete floor, heat, and power—ideal for year-round use, storage, or projects.
